Profile

I am a highly driven individual and have been working in education for the past 6 years. I am currently enrolled in a fullstack coding course via Georgia Tech, and looking to move my career in a different direction. I work well in collaborative environments, as well as taking accountability for my independent responsibilities. I have a passion for learning new things and sharing my knowledge with others.

Work Experience

2020 – Present. Rocketship Legacy Prep, Washington, D.C. *Kindergarten STEM Teacher*

- Teaching STEM lessons pertaining to the fluency levels defined by our curriculum.
- Tracking all STEM fluency and assessment test data in our tracker.
- Creating my own lesson plans that correspond to the fluency defined by our curriculum.
- Facilitating focused tutor sessions for students who need or want more practice.

2019 – 2020. Enriched D.C., Washington, D.C. *Guest Educator*

- Communicating with the school's point of contact.
- Filling both lead and support teaching positions as needed.
- Following the lesson plan provided by the teacher For whom I am substituting.
- Having my own lesson plan prepared in the event one is not provided.

2018 – 2019. Sherman Elementary School, San Francisco, Ca *Paraprofessional*

- Providing classroom support for the K-2 mild to moderate SDC.
- Mainstreaming students from the K-2 mild to moderate SDC.
